William Voat Jr. Esq.

Dear Sir, I enclose Mr John M. Enters' papers. I hope your rule will be elastic enough to admit his claim, as there cannot be a doubt but his service was accepted as complete when he received his discharge, the remaining time being barely enough for him to travel home at that time, and may be considered as a full length. I have not seen him since I received these papers. The difference of one year in his date of enlistment, I presume will not be thought important, as he had no written document to refresh his memory and such mistakes frequently happen in the beginning of the year. I think it most likely he enlisted in 1781.

Very respectfully,

Oliver Everett.

I certify that Benjamin L. Beall, who is employed
by the Land Agent of the State of Maine, under
a Resolution of the Legislature of that State, ap-
proved by the Governor on the 17th of March 1835,
to obtain from the Pension Office certain docu-
ments and records, has made as full and exam-
inating in the case of John McIntosh as the
Books and Papers of said Office will allow,
according to the best of my judgment and
belief. Dated at the Pension Office the eight
day of September, 1835-
